Strategic Environmental Assessment in the World Bank: Learning from recent Experience and Challenges

|

Description / Abstract

This report presents the results of a review of the World Bank's strategic environmental assessment (SEA) experience undertaken by the World Bank learning community—the SEA Community of Practice (SEA CoP). The review included regional reviews that analyzed the World Bank's SEA experience for all Regions in which the Bank is operating. These reviews were complemented by the production of a synthesis and conclusion chapter to draw lessons and good SEA practices.
