# Gender budgeting: practical implementation

|

**Author(s)**

Quinn, Sheila

**Description / Abstract**

The focus of this publication is to act as a guide to the practice of gender budgeting. It is not a first-step book. There are many publications which articulate the rationale for, the background to and the history of gender budgeting and a sample of these are listed toward the end of the handbook under Resources, page 71.

**Publication year**

2009
