# WaterEquity's 2020 Annual Report

|

## **Description / Abstract**

WaterEquity is thrilled to release our annual impact report covering our cumulative impact through 2020. We have reached nearly 2 million people with access to water and sanitation, while delivering attractive risk-adjusted returns to our investors. As we look to the future, we remain more committed than ever to solving the global water crisis, particularly as COVID-19 highlights the importance of water and sanitation access for all of humanity.
