# Promoting the Water, Energy and Food Nexus Approach and Youth Empowerment for Sustainable Development

|

## Description / Abstract

Background Paper presented at the 9th Southern African Development Community Multi-Stakeholder Water Dialogue.

The SADC Multi-Stakeholder Dialogue is a biennial event organised by the SADC Directorate of Infrastructure traditionally held as events driven by the Water Sector. It provides a forum for practitioners and other influencing sectors to have a dialogue on pertinent issues that need to be addressed to deepen regional integration and address poverty in the region. The underlying objective is to ensure that the region unlocks the potential of sustainable water resources development in contributing to regional integration poverty eradication and socio-economic development.
