

# Morocco - Water Access Sustainability and Security Programme

ı

### **Description / Abstract**

The African Development Bank (AfDB) received a request from the Moroccan authorities for the financing of the Water Access Sustainability and Security Programme - ADB 14. The programme is part of the strategy of the Kingdom of Morocco to mobilise and rationalise water use by 2030, primarily aimed at ensuring a rational management of water in the Zagora, Guercif, Al Hoceima, Tangiers and Beni Mellal development areas.
