MEDRC Transboundary Waters Practitioner Briefing series, Water Finance.

|

Description / Abstract

The MEDRC Transboundary Waters Practitioner Briefing series has been developed for water industry practitioners and government officials at the request of MEDRC's member countries, with sponsorship provided by the Netherlands.

This briefing on Water Finance is meant to be informative and practical, providing an overview of the subject matter material, while remaining accessible to various backgrounds and disciplines. The briefing serves to develop shared knowledge and serves as a basis of further discussions between partners.
