Description / Abstract

Here you can find the presentation prepared by Dr Amy Sullivan, Development Consultant in Gender, Water, and Livelihoods, for the fourth and last event of our "Unpacking Gender and IWRM Course Modules with a Gender Expert" Q&A Series.

The presentation aims to add additional insights to Module 4 "Gender-disaggregated Data and Monitoring IWRM" of the Gender and IWRM Course.

We hope it will be helpful in your learning journey!
