

RESOURCE

Lessons from South Africa on the Management and Development of Water Resources for Inclusive and Sustainable Growth

|

Author(s)

Mike Muller

Description / Abstract

This paper served as a background paper to the European Report on Development 2011/2012: Confronting scarcity: Managing water, energy and land for inclusive and sustainable growth. The European Report on Development was prepared by the Overseas Development Institute (ODI) in partnership with the Deutsches Institut für Entwicklungspolitik (DIE) and the European Centre for Development Policy Management (ECDPM).
