

RESOURCE

The institutional logics perspective: a new approach to culture, structure and process

|

Author(s)

Thornton, Patricia H. Lounsbury, Michael Ocasio, William

Description / Abstract

How do institutions influence and shape cognition and action in individuals and organizations, and how are they in turn shaped by them? Various social science disciplines have offered a range of theories and **perspectives to** provide answers **to** this question. Within organization studies in recent years, several scholars have developed **the institutional logics perspective**.
