Author(s)

Mercer, Elaine

Description / Abstract

This blog offers advice for practitioners wanting to apply gender transformative approaches to WASH programming. It has been partly adapted from the workshop 'Gender Transformative WASH' (April 2019) that the Institute of Development Studies (IDS) co-facilitated with Dr Sue Cavill for Plan International. The workshop was for Plan country-office staff from Ethiopia, Indonesia, Nepal, Uganda and Zambia implementing the 'WASH SDG Programme'.
