

Drought Resilience Conference Poster Session

+10

Integrating knowledge & practice for drought resilience

ON-SITE AND ONLINE EVENT

GENEVA, SWITZERLAND

30 SEPTEMBER – 03 OCTOBER 2024

The Drought Resilience +10 Conference invites **poster abstract submissions** focusing on scaling up drought action globally. The poster session aims to showcase policy-relevant drought science, integrating knowledge and best practices for resilience.

Thematic workstreams will address critical aspects of drought resilience amidst global change, with scientific posters presenting the latest research from the past decade. Contributions emphasizing project outcomes and research implications for enhancing resilience are encouraged.
